

Yippie

The sun is
shining and you are lying beside me, and I just don't know what to do, with
your smiling finger tips (Note: harmonise vocal in D)

Yippie the
sun is shining
Yippie the
birds are singing
Yippie let's
go to bed, hey hey hey...

The sun is
bright and you are sitting on me, and I just don't know what to do, with your
golden

flowing hair
Yippie the
sun is shining
Yippie the
birds are singing
Yippie let's
go to bed, hey hey hey...(x2)

The bees are
buzzing and you are underneath me, and I just don't know what to say, so keep
on playing away

Yippie the
sun is shining
Yippie the
birds are singing
Yippie let's
go to bed, hey hey hey...(x3)

The chicks
are calling and I am on my own, and I just don't know what to do, I'll say yes
to just a few

Yippie the
sun is shining
Yippie the
birds are singing
Yippie let's
go to bed, hey hey hey...(x4)

I want a BJ,
I want a BJ, I want a BJ now!
